<b>Fumigation of wood packaging</b>	All wood packaging utilised on Import Shipments to South Africa must be "ISPM 15" certified at origin. This means that Each wooden crate that comes into the country must be treated against plagues and marked in accordance with the requirement of ISPM 15.	Inspectors from the South African Department of agriculture will inspect Import Shipments at South African Ports to determine that this requirement has been adhered to and obviously shipments containing wood packages not having the ISPM 15 mark will not be allowed into South Africa. We therefore urge you to research this requirement with your suppliers of wood / timber packaging materials at origin to ensure that this South African regulation is complied with.
